Nizaam Street, Khadim Ali Rd, Kotli 
Behram, Sialkot, 51330

Based in Sialkot, Pakistan—the globally recognized capital of surgical instrument manufacturing—Primeta Surgical is a premier manufacturer and direct exporter of high-quality stainless steel instruments.

OUR VISION

At Primeta Surgical, our vision is to become a globally trusted name in the manufacturing and supply of premium-quality surgical and dental instruments. We aim to set new standards in precision, innovation, and reliability, ensuring that healthcare professionals worldwide can perform with confidence. By combining skilled craftsmanship from Sialkot's rich heritage with modern technology, we strive to deliver products that contribute to better patient outcomes and a healthier future for all.

OUR OBJECTIVE

Our objective at Primeta Surgical is to provide healthcare professionals and distributors with surgical and dental instruments that meet the highest standards of quality, safety, and performance. We are committed to building long-term business relationships through exceptional customer service, competitive pricing, and on-time delivery. By continuously improving our manufacturing processes and embracing innovation, we aim to meet the evolving needs of the medical industry while contributing to global healthcare excellence.
